

How We're...Keeping You Safe

We have implemented a **rigorous cleaning, sanitation and disinfection process**, which includes:

- **Consistent & regular cleaning** of high touch point surfaces
- **Cart disinfection program**
- **Gloves** are provided and masks allowed
- **Register distance shields** creating a physical barrier between our cashiers and customers
- **Social distance programs:**
 - Visual markings at the deli/bakery & the registers to show exactly where to stand to keep 6' distance
 - In store radio social distance & health/wellness reminders:
 - 6' feet distance reminders
 - Stay home if you're sick
 - Sneeze and cough into a tissue or into your elbow
 - Wash hands regularly with soap for 20-seconds
 - Refrain from touching your face
 - In store signage reminder for social distancing & health/wellness
- **Daily reviews** of in store social distancing enhancements and opportunities

How We're...Stocking Our Shelves

Our stores, transportation, distribution and buying teams are working around the clock to ensure you have the products you need, know and love. We are in constant communication with vendors, suppliers and distributors to source fresh, quality items to fill our shelves across all of the 115 communities we serve.

How We're...Filling the Employment Gap

For the thousands of individuals affected by businesses closing and reduced hours, we have updated our policies, enhanced our hiring efforts and streamlined our onboarding processes to help put people to work faster! Jobs are available across all formats and locations, including at stores and our distribution center. You can apply at jobs.bashas.com.

How We're...Asking You to Help

During these difficult days, there is a lot that you can do to help while in our stores.

- Practice & follow social distancing recommendations
- Limit the number of people who shop with you
- Shop responsibly, leaving things on the shelves for the next person
- Be kind & courteous to each other and our members
