

## We're Here for You!

In these uncertain times, it is important for you to understand what we are doing to keep you safe in our store.

### *Please know...*

---

We have implemented a rigorous cleaning, sanitation and disinfection process, which includes:

- **30-minute cleaning** of high touch point surfaces (registers, key pads, counters, etc.)
- **Cart disinfection program** which disinfects carts every time they come back from the parking lot
- **Gloves** are provided and **masks** approved to wear
- **Limiting stores** to 40% occupancy
- **Register distance shields** creating a physical barrier between our cashiers and customers
- **Pre-shift temperature checks** for our members
- **One-way aisle shopping** and one-way entrance/exits
- **Social distance programs:**
  - Visual markings at the deli/bakery & the registers to show exactly where to stand to keep 6' distance
  - Limiting number of people in the stores to 40% capacity
  - In store radio social distance & health/wellness reminders
  - In store signage reminder for social distancing & health/wellness

*Thank you for your patience and understanding.*
