

Fruit Kebobs

Ingredients:

- 6 strawberries
- 1 banana
- 6 blackberries
- Tbsp chocolate syrup
- 1/2 sheet of graham cracker

Instructions:

1. Peel banana and cut into 1-inch slices.
2. Stick strawberries, banana slices, and blackberries onto popsicle sticks in layers to form fruit kebabs. Set the kebabs on a tray.
3. Lightly drizzle chocolate syrup over the kebabs.
4. Crush 1/2 sheet of graham cracker. Sprinkle the graham cracker crumbs over the fruit kebabs.
5. Enjoy!

History & Fun Facts:

- Kebabs, which were first made with various types of meat, were first created in the Middle East.
- In English, kebabs are known as chunked meat that is cooked on a skewer; however, the term kebab actually refers to a meal containing a variety of meat dishes (which originated in Persia and Turkey).
- It is believed that the word kebab became part of the English language in the 17th century.
