

Caramel Dipped Apple Slices

Ingredients:

- 4 apple slices
- 4 tsp caramel sauce
- 2 tsp sprinkles
- 2 tsp granola
- 2 tsp mini chocolate chips
- 4 popsicle sticks

Instructions:

1. Stick an apple slice onto a popsicle stick.
2. While holding the popsicle stick, dip the apple slice into caramel sauce.
3. Dip the caramel coated apple into one or multiple toppings.
4. Repeat steps 1 through 3, 3 more times.
5. Enjoy right away or refrigerate for later!

History & Fun Facts:

- Caramel apples were first created in America in the 1950s.
- They were first made by a Kraft Foods employee who melted some of the excess caramel candies leftover from Halloween.
- Caramel apples were created after candied apples, which were first made in 1908.
